Lesson: Samson and the Philistines

Samson's great strength came from God alone. He had no power to defeat the Philistines on his own. We cannot please God on our own. Through faith in Jesus, people are saved from sin and receive the Holy Spirit, who helps them live to please God.

UNIT 8 – GOD IS GRACIOUS

Unit Description: Despite Israel's rebellion and attacks from neighboring tribes, God was gracious to raise up judges who would rescue His people from their enemies. While these judges only provided temporary help, they reminded God's people that He would one day provide a perfect Judge to rescue His people from the power of sin.

Big Picture Question: What is repentance?
Repentance is turning away from sin and turning to Jesus.

Beginning in May, Room 3 will be closed to use for larger VBS prop storage. Students in Kindergarten & First grade will join the class in Room 4.

June 9 – 13, 2025!!!
