As our confidence in Christ and His Word grows, we are strengthened to face life's ongoing battles against anxiety and fear. The invitation is **open to women of all ages** as we work through Strength in the Struggle: an encouraging Bible study workbook about letting go of fear and anxiety. The world offers many solutions to manage and cope with these struggles, but what Jesus offers us is far greater. God's Word has the power and authority to transform lives and give us strength in every battle.

Lesson: Rebuilding the Temple

God's people rebuilt the temple so they would have a place to worship God. Years later, God sent His Son, Jesus, to be with His people. Jesus provides something better than the temple; He gives us Himself.

UNIT 17 – HOPE AT HOME

Unit Description: After 70 years, the exile was over, and God brought His people home to Judah. Through the prophet Zechariah, God spoke a message of hope to His people about what would happen in the future. The people began to rebuild the temple so that they would have a place to worship God. Years later in Persia, God used Esther to save His people through her bravery and sacrifice.

Big Picture Question: How did God plan to fix what sin broke? Before He created the world, God planned to send the Messiah.
