### UNIT 5 – GOD INSTRUCTS HIS PEOPLE

**Unit Description:** God continued to show Himself faithful to the Israelites, even though He knew they would be unfaithful to Him. God gave His people commands to follow because He loved them. God instructed the Israelites on how to love Him and other people. He gave them clear instructions on what it means to worship Him alone.

**Big Picture Question:** Why do we need to be saved? People are sinful and cannot save themselves.
