*Thank you!*

FCF Family,

I love our Fellowship Sunday outdoor service and picnic each year for so many reasons! I feel it really gives us an opportunity to be the church described in Acts 2, as we meet together, break bread together, share what we bring, praise God together, and do so before all the people. It is such a witness to our neighborhood as we invite them to join us, and offer not only lunch, but also school supplies. I pray our striving toward the unity and love God calls us to will add to his church many who are being saved!

Thank you to everyone who attended and served! The foundation of this event is our willingness to serve each other; preparing and sharing food, donating school supplies, setting up tables, tents, games, and sound systems, serving food, and cleaning up afterward. What makes this special day possible is all the people who quietly, asked or unasked, pitch in to help where they see a need. What a beautiful picture of the body of Christ! I praise God that I am part of a church that has such love for one another and for those still outside God's family. I am already looking forward to our family picnic next summer!

Your sister in Christ, Sandra Rousos

## CM Volunteer Spotlight

### Mike & Megan Nelson

Mike & Megan are such a great duo! They are always willing to help out wherever they can. We are lucky enough to have them in the Children's Ministry each month! They have helped & taught at Awana, on Sunday mornings, and special events. They manage to help even though they are often juggling work and the busyness of their three girls schedules. We are so grateful for everything that they do! The love and knowledge they bring to our children is amazing!
